Meredith's Painted Ladies

Meredith's Painted Ladies

I feel really honored to empower women and create impactful images of our time and culture. I've never invested so much time, effort and thought into a project as I have this one. My Painted Lady series is a representation of my creativity and skills as a photographer and makeup artist. I shoot women how I'd want to be shot. I strive for diversity and overall righteous women. The bikes I choose are built by some of the best and most creative people of our time. I've grown as a person and Artist since I started this series 4 1/2 years ago and can't wait to see how far it goes.
