ARTIST SERIES

MELLOW YELLOW

BY: Zo

@laurynalvarez

When we first came across the work of local Laguna Beach artist Lauryn Alvarez, her color palette, expressive paintings and photography immediately caught our eye. After diving deeper intoLauryn's world, we became even more enamored with her seemingly effortless ability to create a range of visually appealing art.

Although she has more time behind the lens and a relatively short time painting, it is clear Lauryn is someone that excels at creativity. No matter the medium, she is inspired to express herself with anything she touches. Her colors have a seemingly vintage familiarity, mixing vintage bright warm hues, with contrasts of blues, oranges and greens. Lauryn credits some of her favorite 70's album covers as an influence in her color story.

She has a passion for balance and nature which can be seen throughout her work. Similar to the way she chooses color, the shapes and elements featured in her paintings have a familiar yet distinctively Lauryn Alvarez feeling to them. Her natural surroundings and deep meditation play a role in her creative process.
