PATROL 2-IN-1 JACKET

EJK21PT

- XS
- S
- M
- L
- XL
- XXL

The outer shell jacket fabric features a 15,000mm wind and water-resistant membrane coated with DWR to protect against the elements. Two large front bellow pockets are perfect for goggles and gloves, with side pocket access to cinch the waist elastic. The main front zipper protector snaps into place to provide weather protection while vented pit zips enhance breathability. A pack-away hood that fits over helmets is a nice feature for compacting the jacket. RFID season pass holder is located on the right shoulder, while two hidden chest pockets with ample space are accessed on the inside of the zipper flap are perfect for a cell phone and wallet.

PATROL CARGO PANT

EPCRPT

- S
- M
- L
- XL
- XXL

The 3 Layer Patrol cargo pant is tech-wear at its finest, with inspiration from a versatile vintage military field pant. We created this pant to be versatile and utilitarian.

The pant fabric features a 15,000mm wind and water resistant membrane coated with DWR to protect against the elements. Two large side cargo pockets are perfect for goggles and gloves, with zippered side pockets for your valuables. Belt loops combined with an elasticated section of waist plus Velcro hip adjusters ensures the perfect fit. Zippered fly and inseam mesh lined vents provide ease and comfort. Re-enforced bottom hem and a zippered boot opening.

ENDEAVOR UTILITY BOARD BAG

EBGTPUT

160CM

The Utility bag is our ultimate snowboard transportation option. Whether it's for your dream trip to Japan or your weekly pilgrimage to the local hills the Utility will keep your gear protected.

The Utility features enough space for multiple boards and all your other gear so you can ditch the suitcase. But just in case you don't we've included our stow-able cargo strap system that allows you to attach almost any wheeled case or duffle bag to the outside of the board bag. Simply open the zipper on the bottom of the bag, pull out the

straps, cross them over your bag and hook them through the attachment loops on the top of the board bag. Bags with an extendible handle can also be attached via the oversize velcro handle on the end of the bag for more secure rolling.

The Utility is also equipped with a host of other great features including 2 lightweight packing cells that can fit boots with ease, secure board straps, side carry handle, top lugging handles and external compression straps.
