**OBEY**  
WOMEN'S COLLECTION  
FALL 2016

THE OBEY CAMPAIGN CAN BE EXPLAINED AS AN EXPERIMENT IN PHENOMENOLOGY. THE FIRST AIM OF PHENOMENOLOGY IS TO REAWAKEN A SENSE OF WONDER ABOUT ONE'S ENVIRONMENT. THE OBEY CAMPAIGN ATTEMPTS TO STIMULATE CURIOSITY AND BRING PEOPLE TO QUESTION BOTH THE CAMPAIGN AND THEIR RELATIONSHIP WITH THEIR SURROUNDINGS. BECAUSE PEOPLE ARE NOT USED TO SEEING ADVERTISEMENTS OR PROPAGANDA FOR WHICH THE MOTIVE IS NOT OBVIOUS, FREQUENT AND NOVEL ENCOUNTERS WITH OBEY PROPAGANDA PROVOKE THOUGHT AND POSSIBLE FRUSTRATION, NEVERTHELESS REVITALIZING THE VIEWER'S PERCEPTION AND ATTENTION TO DETAIL. TO CATALYZE A THOUGHTFUL DIALOGUE DECONSTRUCTING THE PROCESS OF IMAGE ABSORPTION IS THE ULTIMATE GOAL. ALL IN THE NAME OF FUN AND OBSERVATION.

THE MEDIUM IS THE MESSAGE.

**BUY  
FAIR.  
BE  
FAIR.**

**FAIR TRADE**

FAIR TRADE IS A MARKET-BASED APPROACH THAT EMPOWERS FACTORY WORKERS AND FARMERS TO FIGHT POVERTY, PRODUCE QUALITY PRODUCTS, PROTECT THE ENVIRONMENT, AND BUILD STRONG, THRIVING COMMUNITIES FOR GENERATIONS TO COME. AT THE SAME TIME, FAIR TRADE USA'S FAIR TRADE CERTIFIED™ LABEL EMPOWERS YOU, THE CONSUMER, WITH THE KNOWLEDGE THAT YOUR PURCHASE HAS A POSITIVE IMPACT ON THE PEOPLE WHO SEW AND GROW THE PRODUCTS YOU LOVE. FOR EVERY OBEY FAIR TRADE CERTIFIED™ PRODUCT SOLD, A PERCENTAGE IS PAID DIRECTLY TO A SPECIAL FUND FOR THE WORKERS THAT CREATE OUR GOODS. THEY DECIDE COLLECTIVELY HOW TO SPEND THESE FUNDS BASED ON THE COMMUNITY'S GREATEST NEEDS: FROM SCHOLARSHIPS AND SCHOOL BUSES, TO MEDICAL CARE AND DISASTER RELIEF SERVICES.

"SOCIAL RESPONSIBILITY AND JUSTICE HAVE ALWAYS BEEN VERY IMPORTANT TO OBEY IN BOTH MESSAGE AND PRACTICE. WE WORK WITH MANUFACTURERS THAT PROVIDE A FAIR WAGE AND ETHICAL WORKING CONDITIONS, AND HAVE NOW MADE THE FURTHER STEP TO BECOME AN OFFICIAL FAIR TRADE USA PARTNER ([WWW.FAIRTRADEUSA.ORG](http://WWW.FAIRTRADEUSA.ORG)). OUR FAIR TRADE CERTIFIED™ GARMENTS ARE PRODUCED IN FACTORIES THAT OPERATE AGAINST RIGOROUS SOCIAL, ENVIRONMENTAL AND ECONOMIC STANDARDS, WHERE WORKERS CAN DO THEIR JOBS WITH PRIDE AND DIGNITY. FOR EVERY FAIR TRADE CERTIFIED PRODUCT SOLD, WORKERS EARN MORE MONEY TO FIGHT POVERTY AND FUND COMMUNITY DEVELOPMENT. OUR HOPE IS NOT ONLY TO BENEFIT THE WORKERS OF THE FAIR TRADE FACTORIES, BUT TO LEAD BY EXAMPLE AND PROMOTE THE EXPANSION OF THE FAIR TRADE APPAREL PROGRAM."

- SHEPARD FAIREY

**OBEY FEATURE:**

# **THE VISION OF TAMARA SANTIBAÑEZ**

When you look at a pair of your Doc Martens, what do you see? Tear and weathered soles, with a durable leather bounding that keeps its structure. Something you cherish, and something that can withstand destroyed terrains. One cannot survive without the other. Now, imagine these objects to be reflective of companionship, or a relationship. Suddenly those soles have a soul. Material objects exude more meaning than meets the eye. This is the vision of Tamara Santibañez.

Dominating the tattoo scene of coveted East Coast artists, we went to meet the visionary holding the motorized gun to find out what composes such a creative extraordinaire — the one & only Tamara Santibañez. Born in the South, a fashion design dropout, and a Latina raised on punk rock and feminist ideals, Santibañez submerges in the fundamentals that built Obey — seditious inspiration, nonconformist attitude, and a DIY talent that prevails past the makeshift studded jackets and flossed denim.

We were given the opportunity to explore her studio and get to know the woman shaking shit up; insight to her well respected tattoo career, and her off-duty fascination with material objects and their symbolism.

Recently hitting her decade mark as a New York resident (see Ugly, Dirty, Nasty, Noisy Zine, a curated collection of work by New York Punk Artists) you can find Tamara working out of legendary Brooklyn compound, Saved Tattoo amongst other iconic artists.

Underneath her books of flash showcasing objects of BDSM culture, chicano artwork, and floral design, she has since progressed in creating a fine art career that has allowed her to collaborate with Printed Matters Inc., work with inventive publication of the underground subverts, Sang Bleu Magazine, and continuous commissioned partnerships with well respected fashion designers.

Tamara continues to do solo exhibitions of her artwork all over the world, evolves her tattoo style, and keeps it real.

For more information, you can find her work at: [www.tamarasantibanez.com](http://www.tamarasantibanez.com)  
For tattoo studio and booking info: [www.savedtattoo.com](http://www.savedtattoo.com)

LEATHER

OBHEY AWARENESS:

# 350.ORG

DON'T LET MONEY FUEL THE CLIMATE CRISIS

The number 350 means climate safety: to preserve a livable planet, scientists tell us we must reduce the amount of CO2 in the atmosphere from its current level of 400 parts per million to below 350 ppm.

We believe that a global grassroots movement can hold our leaders accountable to the realities of science and the principles of justice. That movement is rising from the bottom up all over the world, and is uniting to create the solutions that will ensure a better future for all. 350.org was founded by a group of university friends in the U.S. along with author Bill McKibben, who wrote one of the first books on global warming for the general public.

When we started organizing in 2008, we saw climate change as the most important issue facing humanity — but climate action was mired in politics and all but stalled. We didn't know how to fix things, but we knew that one missing ingredient was a climate movement that reflected the scale of the crisis.

So we started organizing coordinated days of action that linked activists and organizations around the world, including the International Day of Climate Action in 2009, the Global Work Party in 2010, Moving Planet in 2011, and Climate Impacts Day in 2012. We held the "world's biggest art installation" and "the most widespread day of political action in the planet's history." We figured that if we were going to be a movement, then we had to start acting like one.

Today, 350.org works in almost every country in the world on campaigns like fighting coal power plants in India, stopping the Keystone XL pipeline in the U.S, and divesting public institutions everywhere from fossil fuels. All of our work leverages people power to dismantle the influence and infrastructure of the fossil fuel industry, and to develop people-centric solutions to the climate crisis.
