Social Distortion

Est. 1979

The punk godfathers,
Social Distortion, have all but trademarked their brand of hard rockabilly/punk that's cut with the melodic, road-tested lyrics of frontman Mike Ness.
They've stayed strong for over 4 decades on their own terms, on their own time, by their own rules, and over that time their influence has only grown. Ness' hard-luck tales of love, loss, and lessons learned have always resonated with Loser Machine.

We are honored to collaborate with these Southern Californian icons.
This exclusive collection was meticulously built to carry on Social Distortion's timeless style.

In Friends We Trust.
