

OBEY

SPRING 2018 MEN'S COLLECTION

THE OBEY CAMPAIGN CAN BE EXPLAINED AS AN EXPERIMENT IN PHENOMENOLOGY. THE FIRST AIM OF PHENOMENOLOGY IS TO REAWAKEN A SENSE OF WONDER ABOUT ONE'S ENVIRONMENT. THE OBEY CAMPAIGN ATTEMPTS TO STIMULATE CURIOSITY AND BRING PEOPLE TO QUESTION BOTH THE CAMPAIGN AND THEIR RELATIONSHIP WITH THEIR SURROUNDINGS. BECAUSE PEOPLE ARE NOT USED TO SEEING ADVERTISEMENTS OR PROPAGANDA FOR WHICH THE MOTIVE IS NOT OBVIOUS, FREQUENT AND NOVEL ENCOUNTERS WITH OBEY PROPAGANDA PROVOKE THOUGHT AND POSSIBLE FRUSTRATION, NEVERTHELESS REVITALIZING THE VIEWER'S PERCEPTION AND ATTENTION TO DETAIL. TO CATALYZE A THOUGHTFUL DIALOGUE DECONSTRUCTING THE PROCESS OF IMAGE ABSORPTION IS THE ULTIMATE GOAL. ALL IN THE NAME OF FUN AND OBSERVATION.

THE MEDIUM IS THE MESSAGE.

BEHIND THE SCENES

Subliminal, was originally created by Shepard Fairey and Blaize Blouin as an artist collective in 1995. The group played an integral part in introducing skateboarding culture and design to the art world, showcasing artists such as Phil Frost, Thomas Campbell, Mike Mills, Dave Aaron, and Mark Gonzales.

Amanda and Shepard Fairey continued to host and curate exhibitions that featured artists such as Ryan McGinness, HunterGatherer, David Ellis, Doze Green, Aesthetic Apparatus, Space Invader, Jim Houser and Andrew Jeffery Wright. In 2003, the SUBLIMINAL PROJECTS gallery was officially opened in the Los Angeles offices of Studio Number One. The scope of the gallery remained true to its roots while embracing new forms of graphic art, illustration, photography and time-based media.

Now located in the historic Los Angeles neighborhood of Echo Park, Subliminal Projects continues to offer a platform for artistic exploration and innovation. The perennial schedule includes art exhibitions by established and emerging artists, as well as a lecture series, workshops and artist publications.

* Subliminal Projects is currently NOT accepting unsolicited submissions.

COVERT TO OVERT BOOK

326000035M

- OBEY: Covert to Overt showcases Shepard Fairey's evolution from works on paper to grander art installations, cross-cultural artworks, and music/art collaborations. to grander art installations, cross-cultural artworks, and music/art collaborations.

 The book also includes his ubiquitous streetwear and chronicles his return to public artworks. His signature blend of politics, street culture, and art makes Fairey unlike any other subculture/street artist working today.

 This book showcases the significant amount of art he has created the last several years: street murals, mixed-media installations, art/music events, countless silk screens, and work from his extremely successful OBEY brand.

OBEY AWARENESS

CHILDREN INCORPORATED

Children Incorporated is a 501 (c) 3 nonprofit organization that provides assistance to children in 23 countries around the world, including the U.S. For more than 50 years, our organization has helped offer sustainable solutions for children to receive food, clothing, and healthcare. We envision a world in which all children have access to education, hope, and opportunity. By meeting basic needs and providing affirmation and encouragement, we are empowering children to grow and ultimately break the cycle of poverty. To date, we have reached over 250,000 in 300 projects around the globe.

NEVER -MADE-

SPRING ARTIST SERIES

Los Angeles based artist Francisco Reyes, Jr., is better known by his alias Never Made. For over a decade, Francisco has been pursuing his passion in Graphic Design. His experience as a musician in his late teens and early 20s taught him the value of hard work. Coupled with his involvement in the skateboarding scene as well, Francisco's unwavering DIY ethic continues to stress the importance of building from the ground up. After graduating from college with a degree in Graphic Design, Francisco was unable to find a job in his field. Working odd jobs by day and refining his craft by night, Francisco was able to land an internship at Studio Number One with his biggest inspiration, Shepard Fairey. Working with industry giants like Shepard Fairey and Cleon Peterson only helped to cement what Francisco already knew—this was his dream job. His hard work and dedication was evident, resulting in a full time position with the company. Taking a page from Shepard's OBEY campaign, Francisco coined the alias Never Made. Under Never Made, Francisco parlays his vision through a wide range of items, including, but not limited to: lapel pins, t-shirts, sculptures, and limited edition screen prints. Aside from his work with OBEY and Never Made, Francisco has had the privilege to freelance for key brands like Rebel 8, Hurley, Primitive Skateboards, Epitaph, Hellcat Records and Urban Outfitters. While he continues to develop Never Made both as a brand and an aesthetic, he maintains the principle that things are never made, they're earned through hard work and persistence.
