

SPRING 2023 | WOMEN'S COLLECTION

The OBEY campaign can be explained as an experiment in phenomenology. The first aim of phenomenology is to reawaken a sense of wonder about one's environment. The OBEY campaign attempts to stimulate curiosity and bring people to question both the campaign and their relationship with their surroundings. Because people are not used to seeing advertisements or propaganda for which the motive is not obvious, frequent and novel encounters with OBEY propaganda provoke thought and possible frustration, nevertheless revitalizing the viewer's perception and attention to detail. To catalyze a thoughtful dialogue deconstructing the process of image absorption is the ultimate goal. All in the name of fun and observation.

The medium is the message.

OBEY is committed to bettering itself in its manufacturing chain both on an environmental level but also with regard to worker's rights. We look at reducing our environmental footprint whenever possible - from choosing sustainable and socially responsible manufacturing techniques to delivering our clothing to you. This is an ongoing challenge and we continue to push ourselves every season to do better. We are constantly exploring new options in the market. In 2015, we started working with Fair Trade to offer certified garments that ensure economic empowerment to factory workers. We have moved to sustainable factories whenever possible and look to industry developments allowing us to use more recycled and renewable materials. These steps are important to our company and are an ongoing process. We respect everything it takes to make the garments we sell and want to ensure we are doing our best for the world around us.

Our IDEALS program highlights the products that are sustainably built, are produced in Fair Trade factories, are made from organic cotton, or are made from recycled fabrics. Look for these icons on select clothing in stores and online. They represent conscious approaches to our production process and are important to the OBEY ethos.

"Social responsibility and justice have always been very important to OBEY in both message and practice. We work with manufacturers that provide a fair wage and ethical working conditions, and have now made the further step to become an official Fair Trade USA partner (www. Fair Tradeusa.org). Our Fair Trade Certified™ garments are produced in factories that operate against rigorous social, environmental and economic standards, where workers can do their jobs with pride and dignity. For every Fair Trade Certified product sold, workers earn more money to fight poverty and fund community development. Our hope is not only to benefit the workers of the Fair Trade factories, but to lead by example and promote the expansion of the Fair Trade apparel program." - Shepard Fairey

This icon indicates that this garment is constructe sustainably. More than just sustainable raw materials, we consider the social environment, and economic impact of its production.

This icon indicates that this garment is constructed with organic cotton. Certified organic cotton following strict regulations without the use of GMO's harmful pesticides, or synthetic fertilizers.

Fair Trade USA's Fair Trade CertifiedTM label empowers you, the consumer, with the knowledge that your purchase has a positive impact on the people who sew and grow the products you love.

For every OBEY Fair Trade CertifiedTM product sold, a percentage is paid directly to a special fund for the workers that create our goods. They decide collectively how to spend these funds based on their communities greatest needs: from scholarships, school buses, to medical care, disaster and relief services.

This icon indicates that this garment is constructed with recycled materials. Per t-shirt, 1.6 recycled plastic bottles and .10lbs of recycled cotton are used.

Reduce, Reuse, Recycle!

Fair Trade is a market-based approach that empowers factory workers and farmers to fight poverty, produce quality products, protect the environment and build strong thriving communities for generations to come. At the same time, Fair Trade USA's Fair Trade Certified[™] label empowers you, the consumer, with the knowledge that your purchase has a positive impact on the people who sew and grow the products you love. For every OBEY Fair Trade Certified[™] product sold, a percentage is paid directly to a special fund for the workers that create our goods. They decide collectively how to spend these funds based on the community's greatest needs: from scholarships and school buses, to medical care and disaster relief services.

SHEPARD FAIREY

ARTIST - ACTIVIST

Shepard Fairey, founder of OBEY and OBEY Clothing, was born in Charleston, South Carolina. He received his Bachelor of Fine Arts in Illustration at the Rhode Island School of Design in Providence, Rhode Island. In 1989 he created the "Andre the Giant has a Posse" sticker that transformed into the OBEY GIANT art campaign, with imagery that has changed the way people see art and the urban landscape. After 29 years, his work has evolved into an acclaimed body of art, which includes the 2008 "Hope" portrait of Barack Obama, found at the Smithsonian's National Portrait Gallery. The artist collaborated with Amplifier in 2017 to create the We The People series recognizable during the Women's Marches and othe rallies around the world in defense of national and global social justice issues.

Fairey's stickers, guerilla street art presence, and 85 plus public murals are recognizable worldwide. His works are in the permanent collections of the Museum of Modern Art (MoMA), the Victoria and Albert Museum, the Smithsonian's National Portrait Gallery, the Boston Institute of Contemporary Art, the San Francisco Museum of Modern Art, and many others.

Fairey's distinct and recognizable style is unique to him and to OBEY. His lifestyle is the catalyst for all the brand does and the center point of influence and inspiration. This section isolates his work, from his classic graphic style to fine art renderings on garments. Each season, Shepard tackles new ideas and adds his special touch that makes OBEY what it is.

We hope you enjoy.
