

A black and white photograph of a city skyline. In the foreground, a brick building features a prominent dome-shaped water tower. The water tower has a square logo on its side depicting a stylized face with closed eyes and a smiling mouth. Below the tower, there is a window with a dark frame. The background is filled with various skyscrapers and buildings of different architectural styles. One building on the left has two tall antenna-like structures on its roof. Another building in the middle ground has a 'CHASE' logo on its upper section. The sky is a uniform, light gray, suggesting an overcast day. The overall composition is a high-angle shot looking across the city.
