COLLECTION 010

COLLECTION 010

The second iteration of TAIKAN's growing apparel collection displays classic silhouettes and colours while introducing new tones that pull any wardrobe from the present into the future. Inspired by scenes of our summers in the pacific northwest surrounded by driftwood, sand, waves, and aquatic life, as well as globally trending colour palettes, Collection 010 presents clean new styles and hues to bring our environment to life with every piece. Created in harmony with the illustrious lineup of TAIKAN bags, Collection 010 lands at the intersection of minimal aesthetic beauty and accessible pricing.

The world is for the TAIKAN.
